

Transmitter

Egyptian Telephone Cooperative Assn. • August 2018

Egyptian employees enjoyed participating in area parades this year.

During 2018, Real Savings and Smart Call subscribers continue to receive one hour of anytime minutes each month.

Enjoy the free minutes.

Notice about payments

The following is a summary of Egyptian Telephone Cooperative Association's payment policy. On the 15th of each month, Egyptian mails your telephone bill. Your telephone bill is due on or before the 6th of the following month. Telephone bills that are not paid by the 6th of the month will be charged a late payment fee of 1.5 percent of the balance of the bill. Past due notices are mailed to all customers with a balance of \$35 or more on the 9th of each month.

All customers not paying by the 16th of the month are subject to disconnection. A deposit or additional deposit may be required before service is reconnected. Re-establishment of service will not be made until payment has been received in our office. A check in the mail is not payment until it has been received in our office. Please make note of these dates.

Our office will be closed on September 3 in observance of Labor Day.

Phone books delivered

In July, every Egyptian Telephone member should have received a new 2018-2019 phone book. This book provides information about the products and services we offer. It is filled with information ranging from basic telephone service to advanced features. One section to take note of is the reverse telephone number guide for areas served by Egyptian and also surrounding areas. With this section, it only takes a quick search to locate a questionable phone number.

If you have not received your new directory, or if you need to make a correction to it, please call Egyptian at 618-774-1000.
