Celebrating National Co-op Month

Egyptian along with cooperatives nationwide are celebrating National Co-op month during October. National Co-op Month is an annual opportunity to raise awareness of a trusted, proven way to do business and build communities. Under the theme, “Build Back for Impact,” this year’s Co-op Month is also a chance to leverage our shared cooperative identity in the face of some of the biggest challenges we face during a global pandemic. As we build back an economy that works for everyone, our biggest impact comes from embracing the values and principles that make us truly unique.

Community born.
Community led.
Focused on YOU.

National Co-op Month

The federal universal service fund program is designed to help keep local telephone service rates affordable for all customers in all areas of the United States.

Slow internet can drive anyone batty. It's no fun to watch that spinning wheel go around while a video is buffering or to experience frustrating Zoom lags or freezes.

The solution is to sign up for one of our super-fast internet plans. We offer speeds which will easily accommodate simultaneous use by multiple people and devices. Plus, we back all of our plans with local service and support.
