FRS College Scholarship Program

The Foundation for Rural Service (FRS), in cooperation with NTCA-the Rural Broadband Association, seeks to sustain and enhance the quality of life throughout rural America by advancing an understanding of rural telecommunications issues. Through its various programs and initiatives, FRS strongly supports the continuing education of rural youth. Egyptian is proud to be a member of NTCA and support FRS through these programs.

As your local telecommunications service provider, it is our pleasure to offer this scholarship program to high school seniors living within our telephone exchanges (329, 336, 763, 768, 774, 785, and 824). Should a student from our service area be selected to receive one of these national scholarships (\$2,000 each), we will contribute an additional \$500 to the scholarship, bringing the one time scholarship award to \$2500. It should be noted that preference will be given to individuals expressing an interest to return to rural area to work following graduation.

To receive an application, visit frs.org/programs/youth-programs/scholarships for full instructions. Completed applications must be submitted no later than February 25, 2022.
