Can you help us?

Every year after mailing our capital credit checks to our members, a number of them are returned by the post office for insufficient address or unknown address. Generally if this happens, it is because the addressee has moved and has not given us a forwarding address. Currently, we are unable to locate the following list of former members. If you are in contact with any of these former members, please ask them to contact our office at 618-774-1000.

Egyptian receives loan to expand fiber network

Recently, Egyptian was awarded \$25 million in a loan through the U.S. Department of Agriculture (USDA). This loan is part of a \$502 million investment in loans and grants that the USDA has awarded across 20 states. The funding is intended to invest in rural infrastructure and providing reliable, affordable, high speed Internet. With this loan, we will be able to continue to expand our fiber project and bring fiber to majority of our locations in Baldwin, Blair, and Glenn.

We continue to appreciate your patience with our fiber construction projects and are excited to be able to move forward on our other exchanges in the near future. Please call 888-774-1638 or email us at fiber@egyptian.net if you have any questions on this fiber project.
