## Notice about payments

The following is a summary of Egyptian Telephone Cooperative Association's payment policy. On the 15th of each month, Egyptian mails your telephone bill. Your telephone bill is due on or before the 6th of the following month. Telephone bills that are not paid by the 6th of the month will be charged a late payment fee of 1.5 percent of the balance of the bill. Past due notices are mailed to all customers with a balance of \$35 or more on the 9th of each month.

All customers not paying by the 16th of the month are subject to disconnection. A deposit or additional deposit may be required before service is reconnected. Re-establishment of service will not be made until payment has been received in our office. A check in the mail is not payment until it has been received in our office. Please make note of these dates.

### Happy Labor Day

Our office will be closed on September 5 in observance of Labor Day

## 1 hour Anytime Minutes

During 2022, Real Savings and Smart Call subscribers continue to receive one hour of anytime minutes each month. Enjoy the free minutes!

## GO FROM MAILBOX TO INBOX WITH PAPERLESS BILLING

### CHOOSE PAPERLESS BILLING

Now's the time to switch to Egyptian's paperless billing, which means you'll receive your statements via email rather than "snail mail."

With paperless billing, you'll have one less bill in your mailbox each month and less clutter on your kitchen counter. Plus, you'll help us use less paper and save some trees.

**Reduce the Number of Annoying Calls You Get**

The National Do Not Call Registry, managed by the Federal Trade Commission, gives you the ability to stop many unwanted sales calls by registering your home and/or mobile phone number. Registrations are free and do not expire.

Most telemarketers should not call your number once it's been on the National Do Not Call Registry for 31 days (the period telemarketers are given to remove the number from their call lists). However, other types of organizations are still allowed to call you – including charities, political groups, debt collectors, and survey companies.

Call 1-888-382-1222 from the phone you want to register or visit [donotcall.gov](http://donotcall.gov).

**THINK BIG**  
THIS SCHOOL YEAR

As your growing child gets ready for a new school year, think beyond shopping for a bigger backpack or a bigger pair of shoes. You may also need to upgrade to bigger speeds for your home's internet connection—to better handle the bigger demands of more online homework (not to mention more streaming when the homework's done).

Egyptian offers A+ internet plans with fast speeds and they all include responsive customer service and support by our local team.
