

Egyptian Telephone Cooperative Assn. • September 2022

gyptian Telephone Cooperative Association's 68th Annual Meeting of members was held Friday, August 12 at the American Legion in Steeleville.

Board Vice President Kevin Nurnberger welcomed members and called the meeting to order. He thanked the employees of Egyptian Telephone for all the work they've done over the past year.

Board Secretary/Treasurer Kenneth Hollmann reported that Egyptian Telephone Cooperative ended 2021 in strong financial condition. This allowed for Egyptian to return over \$265,000 in capital credit retirements this past year.

Egyptian Telephone General Manager Matt Bollinger addressed the membership, saying that the theme "Meeting the Challenge" was very appropriate. "This year has been another busy year," he said. "There's a lot going on around the world and a lot going on at the co-op... There are a lot of challenges, and we are doing our best to meet them."

He provided an update on the co-op's Fiber to the Home project, which continues to be a priority. Overall the fiber construction has been completed in the Venedy exchange with the Oakdale exchange nearing completion. Construction is ongoing in the Rice exchange, as well as smaller projects in our Baldwin, Blair, and Glenn exchanges. The co-op has received funding through USDA to help with the project and hope for more financing for our remaining areas.

### Give back to your community

or too many in Illinois, the cost to stay connected to family, emergency services, and employers is just too high. During the coronavirus pandemic, access to telephone and internet services became even more vital for persons with disabilities, senior citizens, and families with young children. You can help connect them to emergency help, caretakers, schools, and employers by contributing to the Universal Telephone Assistance Corporation (UTAC).

The UTAC Lifeline and Link-Up programs are funded entirely through voluntary donations.

These programs work with the federally-funded Lifeline program

to help eligible people and families connect to telephone and internet services. Through these partnerships, low cost electronic devices, internet, and telephone services are made available to people who would otherwise not be able to afford them.

It is easy to contribute. Simply fill out the form below and indicate the amount you would like to give per month -50 cents, \$1, \$2, or as much as \$5. That amount can be paid with your monthly telephone bill. Your contribution will be supplemented by federal funds to help provide phone service for individuals and families who could not otherwise afford it.
